RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS
UNDER 35 U.S.C. 371 (DO/EO/US)

Sir:

This letter is in response to the "Notice to File Missing Parts" mailed on April 8, 2008, which indicates that the Oath or Declaration of the inventors for the subject patent application is not part of the filewrapper and requesting a copy of the sequence listing.

The declaration was filed with the USPTO 5 May 2008.

Applicant has reviewed the specification and was unable to locate any sequences and therefore respectfully disagrees with Notification of Missing Requirements and believes that a Sequence Listing is not required.

Please charge any additional requisite fees for the filing of the enclosed Declaration or credit any over-payment to Deposit Account No. 19-2570.

Respectfully submitted,

/JamesMKanagy/
